

HOW TO DISPOSE OF LARGE PERSONAL APPLIANCES (rev 6 2022.02.19)

A friendly reminder of the correct steps to dispose of large personal appliances such as dishwashers, refrigerators, TV's, etc.

1. Break down the packing material from the new replacement. Cardboard goes in the recycling and Styrofoam in the dumpster.
2. Call the City of Naples Bulky Item Pick-up at (239) 213-4700 at least 48 hours prior to arrange a curbside pick-up date (this should be offered free of charge; if not, call an LVR Board member).
3. Use the hand truck (dolly located in the garden room) to move the old item to the roadside for pick-up. If you need assistance call Erik, Karl or Mike.
4. This is not Mike's responsibility - it is yours.

For more information, see City of Naples Recycling Program Residential Guide at:
